Dear Patrick,

The Climate Solutions Foundation (CSF) invites you to join us for a delegation trip to New York City from Tuesday, May 31st to Wednesday, June 1st, 2022. During our stay in New York City, the delegation will participate in educational discussions hosted by Columbia University's Climate School on supply chains and the clean energy transition; the impact of the Russia-Ukraine war on US energy policy and global energy transition; and the future of the US power grid. Your work on these topics will be a great asset to our delegation.

CSF was founded in 2019 as an educational, bipartisan 501(c)(3) non-profit organization. Our mission is to bring together ideologically diverse Members of Congress and their staff, global leaders, and corporate and trade executives to discuss climate science, economics, and policy. Foundation Co-Chairs Senator Mary Landrieu and Congressman Carlos Curbelo launched the Foundation in 2019 with a series of bipartisan, bicameral gatherings of Members of Congress, executives, and scientists at Senator Landrieu's dining room table with one purpose: to build trust within the climate change community that inspires collaborative efforts to advance the agenda on climate. Since then, CSF has expanded its programming to include educational trips, congressional staff briefings, a public climate summit with over 500 virtual attendees, and a congressional fellowship program set to launch this summer.

CSF offers to cover your train travel, ground transportation for your arrival and departure from New York City and any ground transportation we arrange for your participation in meetings. We will cover hotel and meal expenses related to the trip, in compliance with U.S. Senate Select Committee on Ethics rules.

To ensure your participation you must submit your ethics materials to the appropriate committee by Friday, April 29, 2022. Please let us know at your earliest convenience if you are interested in participating by calling or emailing our Program Director, Sarah Wiszniak, at (860) 558-9291 or swiszniak@helenmilby.com. Following your interest, we will promptly send you all the materials necessary for you to send to the U.S. Senate Select Committee on Ethics for review.

Sincerely,

Alex Flint
Executive Director, Climate Solutions Foundation
